"What You *Must* Know About... Wine!"

Lino DiFelice, "The Wine Doctor" says "Thank You"!

Dear Friend,

In a few days, you'll be receiving a rather hefty, United States First Class Priority Mail package from me!

In the package are some of the most *exciting* books you'll ever get a chance to read, about wine, and about eating great food with wine... along with other information that'll let you enjoy a more fulfilling life!

What am I all-so-fired-up about?

Well, first things first: I have something to say to you that's *extremely* important, and so... I'll just go ahead and say it. And that is...

"Thank You!"

I know in today's busy world, hardly anyone ever takes the time to tell you this, but I'm not like that -- I truly do appreciate your business.

You see, recently... you enrolled, and were accepted into... the "**Cellar-Masters Club**".

When you joined this club, you took a chance.

I admire that, and... I intend to do everything within my power to make this the very *best* investment you've ever made!

And just to prove this to you, in addition to all the **FREE** gifts you're getting as part of your membership, I've also included another special report for you, along with this letter. I'll tell you about *that* in just one minute.

Putting this club together, was a labor of love, and frankly... I want it to be, *by far*... one of the most interesting and *exciting* experiences you'll have this year.

Right now, on its way to you by separate mail, is... your "Cellar-Masters Club" beautiful engraved membership certificate... your 7 **FREE** books and reports I promised you, as well as your cassette tape of my private one-on-one no-holds-barred taped radio broadcast interview.

Also, your **FREE** 12-month magazine subscription is on its way! You'll be receiving your first issue, delivered right to your mail box, in about 6 to 10 weeks!

And if you are a Platinum Member, your private wine-cabinet will be delivered and installed

for you any day now!

Do you remember all those **FREE** books and exactly what they are? Just to make sure, let me list the titles here to refresh your memory:

1. **"33 Easy Tips, Tricks And Little-Known Techniques To Maximize All Your Wine-Drinking Experiences... And... Avoid Making Embarrassing Mistakes When You're Serving... Or Entertaining... With Wine!"**
2. "Secret Italian Recipes Straight From The Old Country!"
3. **"Looking Back: 227 Toasts... Quotes... And Unique Perspectives On Life And On Living, For You To Share With Good Friends And Family!"**
4. "Cheese... Cheese... The Unusual Food!"
5. **"13 Ways Drinking Wine Affects Your Health... And Why You Ought To Know Them!"**
6. "40 Top Wine Information And Wine-Industry Websites Online"
7. **"Cheat-Sheet" checklist - "The Top 11 List Of The Most Common (And Most Misunderstood) Terms Used To Describe Wine!"**

These are the 7 **FREE** books, now being mailed to you, along with your copy of my taped interview... your **FREE** magazine subscription... and your beautiful framed membership certificate.

All this material will be in your mailbox in the next few days. If you have any *questions* about anything you read, please don't hesitate to give me a call if you need something cleared up.

Now, about that **FREE** Bonus Report! To get you off to a quick start, right now... I've also included in this letter, a very special report, normally sold for \$27.00, at no extra charge to you!

The report is called **"Inside Secrets To Savory Wine And Food Combinations!"**

You'll find this highly-detailed information, practical and helpful. In fact, there's a special chart in the back of the report, you won't want to miss.

Well, that's enough for now.

Thank you again for enrolling in the **"Cellar-Masters Club"**. I really do appreciate it from the bottom of my heart, and I'm as excited as all get-out to start bottling *all* your custom-made wine, along *with* you... soon!

Sincerely,

Lino DiFelice
"The Wine Doctor"

P.S. The information inside the sealed envelope marked "Urgent Message For You From Lino!" has a time limit connected to it... so... I hope you read it... right away!

Peace and good health! Ciao!
